This is mandatory for all children's workers and helpers or those interested in helping out.

"Women Connect"
Women's Fellowship Saturday
8:30 - 10:00 am. Saturday, April 14th
At the home of Stephanie Muttschall
All ladies are invited and invite your friends!

We are collecting **Change in 2012** to make a change in the life of three children.
Their profiles are on the back table by the can marked Korean Orphanage.

For the safety of all our children please keep an eye on your children after scheduled church services and activities. Once the child has been released from children's activities they are no longer under the watchful eye of our teachers and workers.
Thanks! Pastor Kris

General info for Parents:

During Meet and Greet

- 1) Be sure that your child gets checked in at their respective class (elementary children will be checked in the hall outside the Sanctuary then proceed as a class to the new chapel).
- 2) As part of the check in process, be sure to get a "card" indicating your child was checked-in. Please return the card when you get your child after the service.
- 3) Also, be sure to put your cell number on the check-in form (instead of time) so that the workers can text you should they need you. Please set your cell phone to vibrate only mode.
